## JV Clark School Council Newsletter

JV Clark School Council would like to welcome all students and staff back to school!

School will look a little different this year, with an emphasis on personal and public health, we encourage all students, staff, and visitors to please review the COVID-19 Detailed School Health and Safety Operational Plan on the school website

<http://jvc.yukonschools.ca/>.

School Council is here to provide a communication link between parents and the school. We encourage you to contact us if you have a concern regarding your student, a staff member, or if you just have questions about general operations and policies within the school. We can work with you and the principal

or other staff member to solve problems, develop policy, or start projects.

We also work with the principal and staff to develop and update policy, and find funding for field trips or extracurricular activities/programs. The public and staff are welcome to attend a school council meeting, held on the first Tuesday of every month at 6:30pm at JV Clark School.

If you can't make a meeting or feel like email is easier, please contact us at [jvclark.school@gmail.com](mailto:jvclark.school@gmail.com) and we will discuss your email at our next meeting.
